Technical Information

effective 5/04

Description : A-90 "Can Label" is a soft, dry, nearly clear pickup labeling adhesive blended from premium quality tackifiers, EVA co-polymer, wax and thermal stabilizers.

A-90 is quick setting for rolling paper labels on to warm or hot metal cans. For cold or wet cans we suggest our A-487 "Sticky Pick" permanent can label adhesive.

"A" series products give very dependable performance guaranteed by a modern manufacturing process and a dedicated quality assurance program.

Solids:	100%
Form:	small pellets
